## Exercise 3

Hi Graham

We have just come back from our summer holiday in France. During the first week the (1) \_\_B\_\_ was terrible. Everyone said that summer in the south of France would be (2) \_\_A\_\_ and sunny, but it wasn't. Every day was (3) \_\_B\_\_ and one day we had a thunderstorm. It was very exciting, but the dog didn't like the (4) \_\_C\_\_ or the thunder. It was very loud! In the second week the weather got better. It stopped (5) \_\_A\_\_ all the time and the sun came out. It was still quite (6) \_\_B\_\_ on the beach, but that was OK because sometimes it got too hot. My brother got (7) \_\_B\_\_ on his back because he fell asleep - it wasn't too bad though. One day we flew our kites from the top of a hill. That was great fun. But the (8) \_\_C\_\_ blew and broke mum's kite. She was very cross. We came home yesterday on the boat. It was very (9) \_\_A\_\_ and not very nice at all. My dad said that next year we could go to Iceland for our holiday - I don't think I want to because I'm sure it would be (10) \_\_B\_\_ - and I prefer sunny holidays!
