Job interviews are always **hit and miss** for me. Sometimes I have a great interview and get the job. Other times, my interview **bombs** and I don't get the job. It's really important **to prepare**. You must also be confident and **make sure** the interviewer knows you really want the job. The **trick** is to make the interviewer think you are **the best person** for the job. I always wear my best suit and **arrive early**. I always smile when I walk into the interview room. First **impressions** are very important. It's also a good idea to talk about your experiences - **sell yourself**. Make sure you have a few good questions to ask at the end of the interview.
