Exercise 4

Shopping **must be one of the** world's most popular hobbies. I hate it. There's nothing more boring **than wandering around** shopping malls. What a waste of time. I know a lot of people who like window shopping – just **walking around shops** without wanting to buy anything. Crazy! My plan for shopping is 'quickly in, quickly out'. **If I have to go** shopping, I go in the morning on a weekday. This is when the stores are **empty and you can** get what you want quickly, without thousands of other shoppers **getting in your way**. The worst time to go shopping is on a Saturday afternoon during sale season. **It seems as though** all of the

world's bargain hunters are in the same store as you. I was **happy when online** shopping came along. This is very relaxing.
